

NEW MEMBERS PACK

Welcome

Radyr LTC is a friendly club with a strong family atmosphere, that we are convinced you will enjoy being a member of. Please have a look at our website www.radyrtennis.co.uk which contains a wealth of information on the way the Club is run and governed.

Duty of Care

We take our duty of care very seriously at Radyr LTC for both adults and juniors. Please refer to the Governance page of our website which can be found at the following link <http://www.radyrtennis.co.uk/governance>

Parents are responsible for children outside of the advertised coaching hours. Juniors can be left unaccompanied at the tennis club at their parent's discretion when they, the parents, consider their child to be at an age where it is reasonable for them to be given this level of responsibility. Radyr LTC cannot accept responsibility for Juniors left unaccompanied at the Club.

British Tennis Membership

Radyr LTC actively encourages all adult and junior members to join British Tennis Membership, it is free. This is not only for those juniors who want to play competitions; it is also encouraged because the Club's Wimbledon ticket allocation will be based on the number of British Tennis members in the Club who have Opted-In to the Wimbledon Ballot. There are membership leaflets outlining all the other benefits of British Tennis in the clubhouse, or you can join via the LTA website <https://www.lta.org.uk/member/> or tel. 0202 8487 7000.
